# Breed

100 g • 1 kg

- Promotes breeding results
- Stimulates growth of young
- Keeps birds in shape during breeding

1 g/kg  
body weight

# I-Boost

100 ml • 1 l

- Extra immunity building
- Support during therapy
- Promotes egg & sperm production

1-2 ml/kg  
body weight

Use **NeoFalco Liver** to moisten our capsules before administration, this will help your falcon to **swallow & digest** the capsule smoothly.

# Liver

100 ml

- Liver support
- Liver detox

1-2 ml/kg  
body weight

# Moult

100 g • 1 kg

- Enhances condition during moult
- Supports metabolism
- Energy supply

1 g/kg  
body weight

# Recup

30 capsules

- Promotes recovery
- Reduces muscle loss
- Sick bird syndrome

1 capsule/kg  
body weight

All NeoFalco supplements are made from **premium natural ingredients**, carefully selected & perfectly mixed for your falcons.

# Speed

80 ml

- Extra power & energy
- Speed build

2 ml/kg  
body weight

# Training

100 g

- Support during training season
- Muscle build

1 spoon/kg  
body weight

# Airdox

30 capsules

- Respiratory infections

1 capsule/kg  
body weight

# Bumblefoot cream 15 g

- Bumblefoot (ulcerative pododermatitis)
- Skin lesions

apply  
twice/day

# Anox 5-in-1

30 capsules

- Dysbacteriosis (intestinal infections)
- Systemic infections
- Coccidiosis
- Frounce/canker
- Intestinal yeasts & fungi

1 capsule/kg  
body weight

# Asperdox

30 capsules

- Aspergillosis
- Bacterial airsacculitis
- Systemic infections

1 capsule/kg  
body weight

Our specialised formulas are the result of an exclusive collaboration between breeders & veterinary experts in the field.

What makes NeoFalco products unique is that they are **highly concentrated**. This results in an economical and effective product that is very easy to use.

# Endocox

30 capsules

- Coccidiosis
- Worms
- Mites
- Bacterial diarrhoea

1 capsule/kg  
body weight

# Flacox

30 capsules
